

PUBLIC NOTICE OF INTENT TO ISSUE AN AIR QUALITY PERMIT
STATE OF NORTH CAROLINA
DEPARTMENT OF ENVIRONMENTAL QUALITY
DIVISION OF AIR QUALITY

Prysmian Cables and Systems USA, LLC has applied to the North Carolina Department of Environmental Quality, Division of Air Quality for approval to construct and operate a new Etching operation equipped with a scrubber located at:

2512 Penny Road
Catawba County, Claremont NC 28610
Application No. 1800419.18B, Permit No. 07334T28

Prysmian Cables and Systems USA, LLC's application was reviewed by the Division of Air Quality, Raleigh Central Office to determine compliance with the requirements of the North Carolina Environmental Management Commission air pollution regulations. The results of that review led to the preliminary determination that the project could be approved and the Division of Air Quality permit could be issued, if certain permit conditions are met. This notice serves as an opportunity for public comment for this proposal.

A copy of all data and the application submitted by Prysmian Cables and Systems USA, LLC and other materials used by the Division of Air Quality in making this preliminary determination are available for public inspection during normal business hours at the following locations:
